## Wreaths Across America

By Ginger Thrush '79

The annual **Wreaths Across America** wreath laying ceremony was held December 18, 2020 at **Camp Chase Confederate Cemetery** located at 2900 Sullivant Avenue on the Hilltop. Each December, **National Wreaths Across America Day** is held across our nation and abroad, with wreaths being placed at Veterans graves. The first ceremony was held at **Arlington National Cemetery** and has expanded to over 2,100 cemeteries. Wreaths are purchased by private individuals, charitable and fraternal organizations, and corporate sponsorships to be placed on graves in designated cemeteries.

Alumni - Ginger Thrush '79, Dave Dobos '73, John Ward '67 and Linda Hessinger Hoffman '65

This year over 400 wreaths were placed on veterans' graves at Camp Chase. During the Civil War, Camp Chase was a large Union Army camp where soldiers were mustered in and out of military service. It was also a large prisoner of war detention Camp for captured Confederate soldiers. The cemetery is the only part of the vast camp that remains. 2,260 men are buried in the stone fenced enclosure, men who would never return to their southern homes.

John Ward '67 laying wreaths.

An act of Congress in the late 1950's officially designated these men as U.S. military veterans. The stone arch which stands in the center of this

hallowed ground was erected in 1902, a statue of a soldier sits atop the arch, above the word, "Americans."

This year many volunteers met at the cemetery to decorate over 400 graves. The **John Hoover Chapter of Daughters of the American Revolution (DAR)** raised funds for many of these wreaths. This DAR chapter meets in Grove City, Ohio and some of the organizing members are West High Alumni, **Ruth McDermitt Hegele June '57, Ginger Thrush '79** and **Lora Thrush Yank '83**.

The **Hilltop Historical Society** organizes this event with the permission of **Dayton National Cemetery** which manages Camp Chase. Additionally, members of the **Hilltop Historical Society** organize a commemoration ceremony held the second Sunday of June at 3:00 pm annually. The public is invited, and it is a rain or shine event. The 125th annual event was cancelled in 2020 however we hope to resume in 2021. Several

West High Alumni serve on the board of directors of the **Hilltop Historical Society, Dave Dobos '73, Stanton Prior '46, John Ward '67, Stacy Neff Campbell '78, Dave Northrup '73, Paul Pennell '57, Earl Potts '51 and Ginger Thrush '79**.

## Annual Summer Picnic – CANCELLED

*By Vida Fulton Williams '73*

The West High Alumni Annual Picnic is always a lot of fun. We really missed not having it in 2020. Our next Alumni picnic will be next year in 2022. At our 2019 picnic there were 70 people in attendance. Eli Bowen's Sloppy Joe's were the delicious main course along with the specialties of the many alumni.

There were many door prizes that were given away and we hope to have an array of door prizes in 2022, as well. If you would like to contribute, please let me know at [travels.vida@gmail.com](mailto:travels.vida@gmail.com). Restaurant gift cards are great door prizes, but we even received gifts from Mark Wahlberg Chevrolet, Dave & Buster's, Embody Health and Wellness and Foundation Chiropractic.

The attendance at our 2019 picnic included 6 alumni from the class of 1940, 25 from 1950s, 16 from 1960s, 13 from 1970s, 2 from 1980s and 1 from the 1990s. Thank you for attending and representing your class. We hope our 2022 Alumni Picnic will be greatly attended since we will not be having a 2021 picnic. No date has been determined yet, but we will keep you posted.

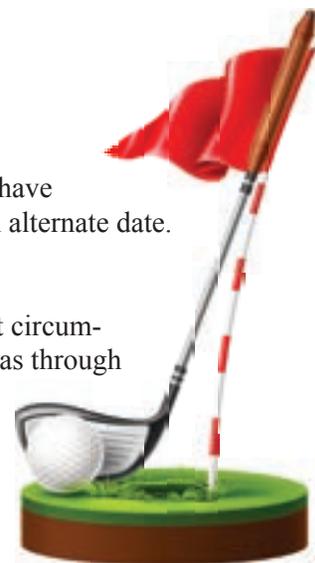

## Annual Alumni Golf Outing

*By Lynn Johnson '63  
Golf Chairperson*

The golf committee is in the beginning stages of planning the Annual West Alumni Golf Outing. We have chosen **Friday, August 13th at Split Rock** for the event with the following Friday, August 20th as an alternate date. Of course, whatever COVID-19 protocols are in place at that time will be followed.

We are aiming to make every effort to have a successful and fun outing this year, but we all know that circumstances can change rapidly. Any updates will be posted on the Alumni website and Facebook as well as through email. The summer newsletter will have information and an entry form. As always, door prizes, raffle prizes and monetary donations are gratefully accepted and greatly appreciated.

So, please mark your calendars for August 13th and you might want to cross your fingers as well! Thank you for your continuing support.

## Hall of Fame Nominations Due on April 1

If you would like to nominate someone for the Hall of Fame, please do so by April 1. The nomination form and information are on the West High Alumni Association website. If you previously nominated someone and you would like to add additional information to your nomination you may do so at any time. Nominations are never discarded.

## Call for Articles

This Editor is always looking for a good story to publish. And, especially during this pandemic when most of our Association events have been cancelled. Do you have a special memory of your years at West? Do you have a funny story from one of your classes? Do you have lunch once a month with your friends from your ole' alma mater? Do you have a storied keepsake from your high school days that you cannot part with? Send your tales and even a photo if you have one in c/o Nancy Lloyd Laver, at [nybryant@aol.com](mailto:nybryant@aol.com) or you can mail it into the association. Do not worry about punctuation or spelling. I can tweak it for you.

*Dear Nancy,*

I am going to call this segment: Looking Back or Do You Remember. I am going to go back to first grade. I was living on Doren Avenue and I would walk to Brembeck's at Doren and Wrexham to buy penny candy and those were the days and of course you had to pass by the Fetherolf's house, who had a German Shepard, and he would always bark at you.

Now let us move on to Highland Avenue Elementary School, do you remember Air Raid Drills? You had to go to the basement, put your head between your legs and put your hands-on top of your head. It was like being in a dungeon – scary times they were. Highland did not have hot meals and for some strange reason in our brown bag lunches everyone had a dill pickle. How weird! About once a month they had a Jitney Lunch that was a hot meal. You thought you were in heaven! My first and second grade teacher was Ann Proctor. I still remember her bringing in an electric mixer and we would make butter. Then one day she was going to leave us to get married and move to Florida. We all cried. Later, I would learn from a Graham/Goddard family tree book (on my grandmother's side) that I was related to Ann Proctor. How ironic. The meanest teacher that I had was in third grade. I believe her name was Miss Richards. She was so nasty. Then there were the many winter snows of sledding at Glenwood Park. Several years ago, I went back to Highland (and to my surprise) they let me tour the school. They now have a kitchen in the basement to serve hot meals.

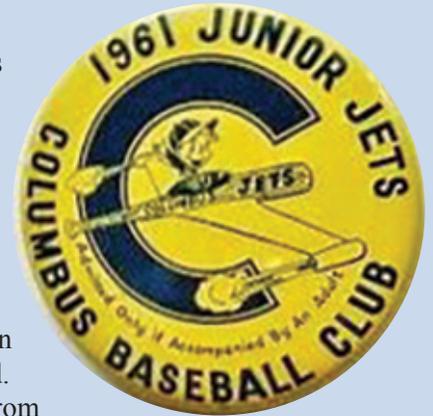

Now let us move to Hilltonia. If we left early enough to walk, Mr. Evrett, West High School alum, would come by and take us to school. Who could forget Dorcas Miller the math teacher yellow Chevy? Then the art teacher had a Karmen Ghia we called it a pregnant roller skate. Then I remember how myself, Jimmy Rhea and Greg Temple helped Mr. Post and his wife move who lived in an apartment over a garage in the north end. They moved to a beautiful home on Westmoor. He converted his attic into a dark room. Then how disrespectful we were to call Mr. Larkin "Peg Leg." He had a wooden leg – shame on us. He also carried a paddle up his sleeve. Then there was Russ Friend and Catherine Rush the P.E. teachers. Then there was Mrs. Cockerill, she once told me if I wanted to, I could be on the Honor Roll. I should have listened to her.

Now let us move on to West High School. Who could ever forget Francis Davis and her red wooden apple that she would bang on her desk to get your attention? From her

room we could see the atrium and it was so beautiful! Then there were many teachers that we could not forget, Miss McCormack. I thought the woman hated me, but when I finally graduated in 1964 instead of 1963, I found out she really did like me.

Now let us go back to Hilltonia, who remembers "Jet Badges"? I think I still have mine.

I remember mom and dad were looking to buy a house. We lived at 750 South Harris Avenue. They looked at a house in Grove City and in Hilliard. I was devastated. How could you take me from Hilltop U.S.A.? We ended up at 2540 Spaatz Avenue and I was a happy camper.

Now, it is my opinion that Lazarus, now Macy's, should still be on Town and High. Clipper Stadium should still be on Mound Street as it has such a history going back many years from Blue Birds, to Red Birds, Jets, and Clippers. Who could ever forget Green Gables? I wish I had a dollar for every time I drove around that place. I asked Mrs. Nita Sokol of Tee Jayes Country Restaurant, why she did not buy Green Gables and she said McDonalds out bid her. What a shame.

One more thing to remember is the Hague Avenue cross-town bus. That is how we got to the pool. It is a shame that the pool is not still there.

I could go on and on, but I think I have taken enough of your time. Thanks for listening to me. In closing, as Roy Rogers and Dale Evans used to say: "Happy trails to you until we meet again." I am so proud to be a West High School alum and a resident of Hilltop U.S.A.

*Dave McManus '64*

*Dear Dave,*

Thank you for writing into the newsletter. Your reminiscing thoughts always make me think of my school days. I had never heard of the Columbus Blue Birds and found out they were part of the Negro National League.

Take care,

*Nancy Laver '79, editor*

## Congratulations Cheryl Holt '65

*John Morlan '65 and his wife Susan sent in this article about Cheryl Holt who is a friend and classmate of John's. Cheryl was voted Best Female Athlete in 1965 at West and she continues to impress today. This article is reprinted with permission of the author Cody Bush, Austin Peay State University, Director of Athletics Communications, May 7, 2019.*

Brentwood, Tenn. – (ESPN Clarksville) **Cheryl Holt**, who served in Austin Peay State University's athletics department in various roles for nearly 35 years, has been selected to the Ohio Valley Conference Hall of Fame. She will be inducted during ceremonies held in conjunction with the OVC Spring Meetings in May.

Inducted into Austin Peay's Athletics Hall of Fame in 2012, Holt joined the Governors athletics program in 1982 as a tennis coach but was tapped by then Director of Athletics Johnny Miller to elevate the volleyball program. She served just two seasons as tennis coach, but her tenure as volleyball coach lasted much longer – an impressive 23 seasons.

Holt ultimately amassed 364 career wins as the Gobs volleyball head coach. Under her leadership, the Gobs qualified for the OVC volleyball tournament in 19 consecutive seasons, capturing the tournament title in 1991 and the regular season crown in 1992.

However, it was mentoring student athletes where she made the most significant impact. She coached 21 All – OVC selec-

tions, including OVC Players of the Year Connie Caldwell and Isabel Canedo.

In addition, Holt's volleyball teams annually were at the top of the athletic department's rankings regarding grade point average and graduation rates. In 1997, Holt was named the athletic department's first Senior Woman Administrator and in 2003 was elevated to assistant athletics director. She held both positions until her retirement in 2017.

In addition to her induction in Austin Peay's Athletics Hall of Fame, the Austin Peay community recognized Holt's significant contributions to women's athletics, including the softball program initiation in 1986, by naming the softball facility Cheryl Holt Field.

Holt becomes the 10th member of the Austin Peay family inducted into the OVC Hall of Fame. The OVC Hall of Fame recognizes coaches, administrators, faculty and staff members who have been associated with the league for at least five years and have had extensive outstanding service to the Conference.

## Pitt State Athlete of the Week - Antonio Givens '16

**Antonio (Tony) Givens** is a proud 2016 West High alum that will do good things after his college days are over. He was a great kid at West and is proof that West continues to graduate superior students and athletes.

This picture was in a Pittsburg State (Kansas) publication when Tony was named their Athlete of the Week. Tony transferred to Pitt State from Kent State University and is currently playing his second season on the men's basketball team. At 6'8", he has already earned a bachelor's degree in general studies at Pitt State and is now a first-year graduate student working toward a master's in health, human performance, and recreation.

Tony first attended Wabash Valley College. As a sophomore there he averaged 3.5 points and 3.0 rebounds per game in the 2017-2018 season and shot 62.5 percent from the field.

He then transferred to Kent State where he redshirted his only year there before transferring to Pittsburg State.

Tony said he grew up playing little league football on the westside starting at about five until he was 13. He played with a local team, Ohio Dynasty, before joining the program All-Ohio.

He didn't participate in sports his freshman year at West, but

## West Alumni Memorabilia Historian / Archivist and Yearbook Sales

by Dorance Nichols Hornsby '63

### MEMORABILIA

The current Alumni Association was started in 1992. Our first president, **Dean Potts '59 Jan.**, asked one of the first alums to join, **Alberta Seely Schneider '47**, to start a file of any West High memorabilia, newspaper clippings, historical information - anything having to do with West, its students, and alumni. When Alberta's health started failing, she asked me if I would take it over. Since then the amount of memorabilia we have had donated by our alumni has grown substantially. We have graduation programs, school programs, pictures, scrap books, school newspapers, newspaper articles about alumni - you name it, we have it.

We would like to have someone take what we have and organize it and document what we have. Possibly a couple of friends could take on this project together and split the materi-

### YEARBOOK SALES

We have about 300 yearbooks available to sell. All of these have been donated by alumni, retired teachers, West High, or the families of deceased alums. The proceeds from our yearbook sales go to our Scholarship Foundation. Whomever would take over this project would only need to keep one of each year we have available to sell at their home. Once one is sold, if another yearbook is available to sell for that year, we have them at a storage facility. The ones we sell are stored in two 'banker boxes.' We have a list of alumni who want to buy a yearbook. Whenever yearbooks are donated, the list of those who want a yearbook needs to be checked to see if the newly

al into categories. We already have some of the material documented in computer records that we will share with whomever would be willing to take this project on.

When possible, we have taken some of these items to the Hilltop Bean Dinners, the Christmas Luncheons, and to class reunions. We don't want to store these things away and not allow our alumni to see them. We like to share these wonderful reflections of our days at West. When going to class reunions, it helps when we can look at our records and see what we have for the reunion years. Whomever would take on this project would probably need to take everything to his or her house to sort and document. Once this was done, the documents could be returned to where we store other Association materials. We would like the person doing this to maintain a computer record of everything documented and update it when other items are donated.

donated yearbook is on our Wait List. There are currently about 200 people waiting on yearbooks (obviously for years we do not currently have).

If you think you might like to be our Association Historian / Archivist or oversee our yearbook sales, give me a call and we can talk about what our needs are and how you can help. A computer is necessary to keep a record of our memorabilia and to keep a record of the yearbook sales.

he did play on the West basketball team from his sophomore through senior years. He also played football his senior year. Tony has said it meant a lot for him to be a part of school athletics. He was recognized as an All-City athlete for both football and basketball. His picture hangs on the West Athletic Hall of Fame with other West athletes who have earned All-City recognition. He is honored to have that recognition. He started to love basketball in high school where he was a 3-year varsity starter. That was what made him choose basketball over football in college!

Tony's mother, uncle, and grandparents have been his biggest supporters during his athletic career and journey. He has a lot of plans after he graduates from Pitt State. He wants to 'explore the world, take care of my family, and be an inspiration to young kids in his community.' 'If playing overseas

If you put the same passion and dedication into school as you do your sport, it'll be easier for you and less to maintain. Some tips... (are to) check your email daily, travel with your laptop, and make good relationships with your professors to communicate about what's going on.”

We couldn't be prouder of Tony Givens. We wish him the best in whatever avenue his career takes him in the future – Dorance Nichols Hornsby '63

# Extraordinary Friends

## Special Memory

By Gary Smith '65

I am writing about friends who have influenced my life as it is today. These friends are extraordinary individuals. **Jim Hughes '64** and **Mike Hughes '66** both graduated from Harvard University. The golfing picture is of **Mike Baker '65, Johnny Morlan '65, Gary Smith '65, Charlie Castle '63, and John Sines '65**. I went to school with these guys and each one of these gentlemen have achieved that which cannot be matched! The second photo is of **Johnny Morlan** and me. Believe it or not I am still blocking for Johnny! He is not only one of the best athletes to ever come out of West High but just a great person. Johnny was a quarterback on the football team, and I was a fullback. **Skip Sanford '64** and his wife Julie have also been wonderful friends. Great friendships are one of the things I appreciate most about my years at West High School.

He even transported prisoners to the United States Penitentiary in Leavenworth. ### Dear Class of 1961,

As you have probably figured out, our graduation class should be celebrating our 60th reunion this coming summer in 2021. But it has been decided to not have the 60th reunion this summer due to Covid-19, but to work toward our celebration the following summer in 2022 –just one year later. We think this would be the safest way to enjoy our 60th.

We are interested in establishing a committee that would like to plan together starting in the summer/fall of 2021. In addition, reunion ideas/activities would be very welcome even if you are unable to serve and if you are possibly interested in attending summer of 2022.

## Who's Who on the WHSAA Board of Directors and Committee Chairs

*In an effort to let you know who is running this organization, I will be featuring autobiographical information of the Board of Directors and Committee Chairs. I hope you enjoy reading about these fascinating people. This column will run in the next few editions of this newsletter or until the pandemic is over. Enjoy!*

### Georgia Martin Ward '70

#### What year did you graduate from West?

Class of 1970; should have had our 50th reunion this summer but had to postpone it. Hoping for a WONDERFUL 51st!

#### What were you involved in at West while in high school?

I was secretary of Student Council; a member of GAA, FTA, Debate Club Secretary, Y-Teens, Delphi, Jr & Sr Choirs, Gym Monitor, Class Teams and Class Teams Cheerleader. (GAA - Girls Athletic Assoc; FTA - Future Teachers of America). I was a joiner and remarkably busy. I also worked part time my Sophomore/Jr and Sr years.

#### What were some of your favorite classes? Why?

I loved all my advanced math classes. I have always liked math and I had many great teachers. I also liked Sr English Lit and POD (Principles of Democracy) - again because I had interesting teachers. I never cared much for History in school, and now I wish I had. Now when I see a movie or read a book that deals with history, I actually get out my encyclopedias and read up on the event to see what is a fact and what is fiction!

#### Who were some of your favorite teachers? Do you have any specific memories of those teachers?

Loved Mr. Zadrozny. He was young, probably right out of college and had funny stories to tell about his years in TBD-BITL at OSU. Also loved Mr. Drury. I had him for calculus my Sr. year. We were a small class made up of mostly "brainiacs" (me, not so much). Mr. Drury put up with a lot from us; we were all close since we had many advanced classes together, so we had lots of joking and stories between us. One day Mr. Drury came into the room to find his desk hanging halfway out the window. The guys had lifted the desk up and had it hanging with 2 of its 4 legs out the window. He was not happy but took it pretty well!

#### What are you involved in with the Alumni Association?

I have been a member of the Association for several years but have only been on the Board for 2 years. I have volunteered to work the concession stands at Football and Basketball games the last few years. I donated some food for the Summer Alumni Picnic last year and now serve as Secretary. Now that I am retired, I hope to get more involved - after this crazy COVID-19 THING is over! I pray!

**What is your motivation for being involved with the Alumni Association?** The thing that impressed me most about the WHSAA and what makes me want to do more, is finding out

### Michele Redd '00

#### What year did you graduate from West?

Class of 2000.

#### What were you involved in at West while in high school?

I was involved with the Cheerleading Squad, I was JV Captain my Freshman Year and went on to Varsity Squad.

#### What were some of your favorite classes? Why?

My favorite classes were English with Mrs. Phillips and History with Mr. Blume. Both teachers made learning fun and it was never a dull moment.

#### What is your motivation for being involved with the Alumni Association?

My motivation for being on the Board is to bring diversity amongst all the different classes and bring back that Cowboy pride and togetherness.

#### What would you like members to know about you personally and your family?

I am the daughter of James "Wes" Redd Class of '74 and the sister of Michael Redd Class of '97. I am the mother of my seven-year-old daughter Sarai Michele Redd who I adore. I am in my fifteenth year in education. I have been the Dean of Students at Shady Elementary for the last six years. I am so blessed to be a part of this extraordinary board.

how much money the Association has given to West for scholarships and other needed items! I look at West today and cannot help but be depressed about the decline of the facilities, football field/track/stadium, marching band, drama department, etc. I know it is not much, but what the Association does for WHS is incredible and I look forward to helping contribute even more.

#### What would you like members to know about you personally and your family?

I am the mother of incredible twin boys/men (42 years old). And the grandma of 2 wonderful boys (20 and 6.5 years old). My family has always been 1st in my life, and I was very much involved when my sons were in school and continued that devotion for the 20-year-old and now the six-year-old. Their schools are newer and are thriving, so I feel the need to devote more time and effort to my Alma Mater.

#### Any other ideas?

I love all sports, long walks on the beach, the color blue, lilacs in the spring, yadda, yadda, yadda.

## Kroger Plus Card Benefits West Alumni Association

**Thirty-three alumni households contributed \$109.83 to the Association without having to do anything but register their Kroger Plus Card on a computer. Our Alumni Association received \$9.94 in February.** Every little bit helps! Thank you for the donation! This is one of the easiest ways for non-profit organizations to earn funds for their programs. Your Alumni Association has participated in this program for several years now. We receive a quarterly check from Kroger with proceeds from all who have made this designation for West High School Alumni Association. The

Kroger funds are used to help pay for the general expenses of the Association, which include the preparation and printing of this newsletter.

Cards can only be registered via the Internet. If you do not have a computer, please ask a friend or relative to register your card for you. After you register your Kroger card, each time you make a purchase at a Kroger store use your Kroger Plus Card, Kroger Credit Card, or Alternate ID and a portion of your purchases will automatically be applied toward the Kroger Community Rewards donation. All participants must re-enroll each year to continue earning rewards for our organization.

## Wrestling Champions

*Christian Little, Gabe Cassanova, Anthony Harding, and Coach Mark Antonelli*

Congratulations to **Gabe Cassanova** and **Christian Little** on 3rd place finishes at the Columbus City League Wrestling Tournament on February 13! Christian and Gabe also tied for 'quickest pin' in the tournament at 15 seconds. And during this difficult COVID-19 year, Gabe earned a 4.0 GPA for the 2nd quarter in all his classes. Excellent kid being excellent!

**Anthony Harding** is another Junior heavyweight. He just barely missed the 220 lb. weight class this year but pinned the 220 lb. City Champ from Northland High School three days ago in an event. Anthony also plays on the West football team.

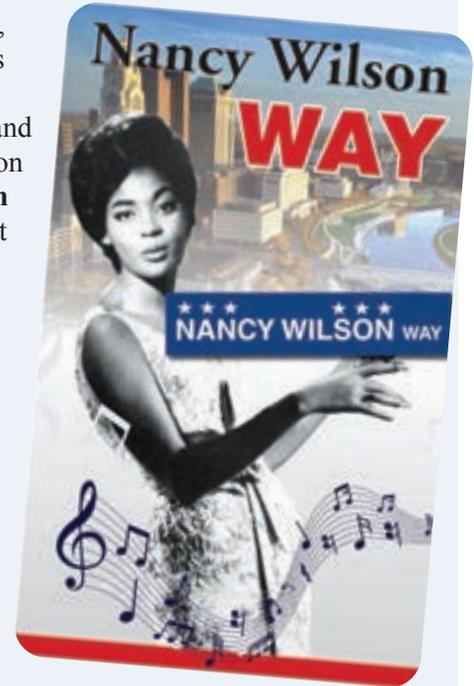

*Congratulations to these superior student-athletes!*

*Gabe Cassanova after winning his 3rd place match. This wrestler 'left it all on the mat!'*

## Nancy Wilson Way

As seen on **Facebook**, The City of Columbus Department of Public Service has received and approved an application to have **Nancy Wilson Way** ceremonial street signs displayed on Civic Center Drive. Due to the Covid-19 pandemic regulations which restrict the number of people allowed to assemble the sign ceremony will be at Civic Center Drive and West Broad Street across from City Hall on Friday, June 11, 2021 at 4:00 PM. If you are on **Facebook** please like the page **Nancy Wilson Way** to show your support in honor of one of our own graduates!

## HELP ★ WANTED ★

The Alumni Association has been asked to help make phone calls to the homes of students who are not attending school on a regular basis. The attendance rate is down this year due to the Covid-19 pandemic. The Alumni Board met with Yolanda Stewart, West High School Vice-Principal, and she reached out to us to see if we could help. Alumni volunteers will be given a script to follow along with training on how to contact the families. A computer is necessary to record information on a form. This volunteer job can be done once a week. Please contact Vida Williams '73 at travels.vida@gmail.com for more information.
